In our extraordinary historical setting of sand and sea, we offer our guests the only full-service luxury resort hotel and destination wedding experience in the Hamptons!

By 2009, all 107 of our guest rooms will be completely renovated, bringing modern-day style to the old-world charm of Montauk. Our meticulously restored Farmhouse Ballroom, will be anchored by a magnificent antique fireplace, beamed ceilings, white pickled wood floors and a wall of doors opening onto a private terrace and beach that will take your breath away! Our refurbished lobby, restaurants and outdoor patios, provide a wide array of picture-perfect backdrops for your wedding ceremony, rehearsal dinner, Sunday brunch or waterside cocktails. The possibilities are truly endless!

I will personally see to it with my time and 100% devotion that your wedding is perfect. I will coordinate all of your wedding details and any other special events you may desire, such as spa treatments for the ladies, fishing trips for the gents, or a late-night marshmallow roast on the beach!
